October 2011

Dear Friend,

It is with great enthusiasm that we are looking for your support. The Queens Nassau Comets is a girls' fast pitch softball organization formed in December 1999, by 2 NYC Police Detective's. Our main objective is to promote self-esteem, awareness and confidence; enhance skills and to **HAVE GOOD CLEAN FUN!** We are recognized as an organization described in section 501(c) (3). We continually prepare our girls in the game of softball on the collegiate level, and help them to obtain scholarships to college in order to make education more affordable.

Our enrollment is open to girls from age 10 through 18. Our program runs throughout the year. In the winter, we rent indoor facilities to teach, develop, enhance and reinforce the physical and mental skills of each of our players. In the spring, we use outdoor facilities to continue our development. In the summer/fall we play in tournaments and leagues. These venues allow our players to meet and compete with girls from different regions of the United States.

In these trying economic times, our student athletes are striving to achieve their goals of affordable college educations. This is all possible with support from our sponsors. Please share in our enthusiasm. Help us reach our goals by making a contribution to the organization.

HELP OUR GIRLS MAKE A DIFFERENCE, SUPPORT US TODAY!

With gratitude,

Mark Ballard, President
