October 2011

Dear Business Owner,

I am looking for your support. Please share my enthusiasm as a proud contributor of the Queens Nassau Comets Inc., Non-profit Organization.

The Queens Nassau Comets is a girls fast pitch softball organization, formed in December 1999, by two NYC Police Detective's, who's main objective is to promote self-esteem, awareness and confidence; enhance skills and to **HAVE GOOD CLEAN FUN!** This organization prepares me in the game of softball on the collegiate level, and helps us obtain scholarships to college in order to make education more affordable.

This program runs throughout the year. In the winter, a facility is rented, with the sole purpose of teaching, developing, enhancing and reinforcing the physical and mental skills of every team member. In the spring the Comets use outdoor facilities to continue development.

Beginning in May, the QN Comets participate in weekend tournaments in the tri-state area. The summer tournament provides a bid to a national world series. Each tournament we enter is a national qualifier, depending on the organization running the tournament; PONY, FAST, Triple Crown etc. In past years, our organization has traveled to Utah, Florida, and Virginia. These tournaments allow us to meet and compete with girls from different regions of the United States while being scouted for recruitment by college coaches.

Help me reach my goal by making a small \$25 contribution with your business card to the organization in which I am a proud member. Your card will be added to our placemat which will be distributed at our August 2012, Annual Fundraiser. Your contribution may be in the form of cash or a check made payable to: Queens Nassau Comets Inc.

***HELP OUR GIRLS MAKE A DIFFERENCE, SUPPORT US TODAY!***

With gratitude,  
QN Comet Player &

Mark Ballard, President
