

# Queens Nassau Comets Inc.

Non-Profit Organization  
P.O. Box 402, Lynbrook, NY 11563-0402

October 2011

Dear Friend,

The Queens Nassau Comets is a girls fast pitch softball organization, formed in December 1999, by two NYC Police Detective's, President and Vice President respectively, who's main objective is to promote self-esteem, awareness and confidence; enhance skills and to **HAVE GOOD CLEAN FUN!** We prepare our girls in the game of softball on the collegiate level, and help them to obtain scholarships to college in order to make education more affordable.

Beginning in June, we participate in weekend tournaments in the tri-state area. These summer tournaments provide bids to national tournaments. Each tournament we enter is a national qualifier, depending on the organization running the tournament; PONY, FAST, Triple Crown etc. In past years, we have traveled to Utah, Florida, and Virginia. These tournaments allow our players to meet and compete with girls from different regions of the United States while being scouted for recruitment by college coaches.

Our enrollment is open to girls from age 10 through 18. Our program runs throughout the year. In the winter we workout at R&M Softball Baseball Academy, Lynbrook NY twice a week, with the sole purpose of teaching, developing, enhancing and reinforcing the physical and mental skills of each of our players. In the spring we use outdoor facilities to continue our development. In the summer and fall we play in tournaments and leagues.

We are looking for and need your support. Please share our enthusiasm as a proud contributor of the Queens Nassau Comets Inc., non-profit organization. The world is a small place and with your support, you could be helping a daughter, a granddaughter, a sister, a cousin, a neighbor or a friend succeed. Help us reach our goal by making a contribution to the organization. Because you care, we feel we can count on you. Visit our website at [www.queensnassaucomets.org](http://www.queensnassaucomets.org).

***HELP OUR GIRLS MAKE A DIFFERENCE, SUPPORT US TODAY!***

With gratitude,

Mark Ballard, President
